Financial Management Support Group Sindh Irrigation & Drainage Authority (SIDA)

Once the Farmers Organization formed and sign IDMT agreement the capacity of FO and WCAs to perform their functions effectively, efficiently and sustainability will be critical. The financial management support teams would support WCAs and FOs in financial matters to raise their financial capacity.

Currently the Financial Management Support Group is working under the Transition Wing SIDA. Six field accountant staff is working to support FOs and WCAs. The training related financial matters i.e. cash book, ledger, Abiana have been provided to the representatives of FOs. In addition to this, support provided to FOs for business plan, audit report and account opening.
